

Coloured Paint Guide

Dried Lavender

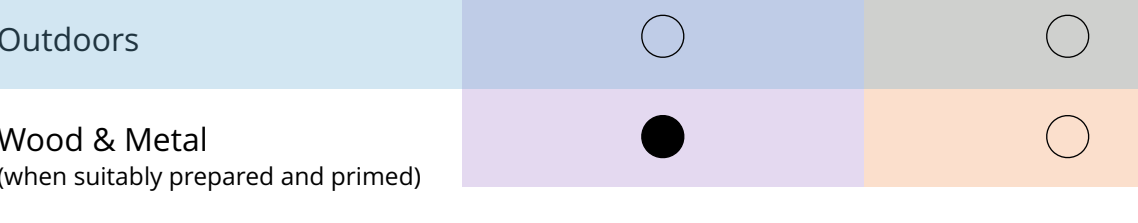

Butterleigh

Lilac

Dried Lavender, Butterleigh and Lilac create a deliciously soothing colour combination - soft, restorative and quietly luxurious. This trio balances cool, muted purples with a creamy golden warmth, delivering calm without sterility and sweetness without cloying brightness. Perfect for spaces (or designs) that invite rest, reflection and subtle joy.

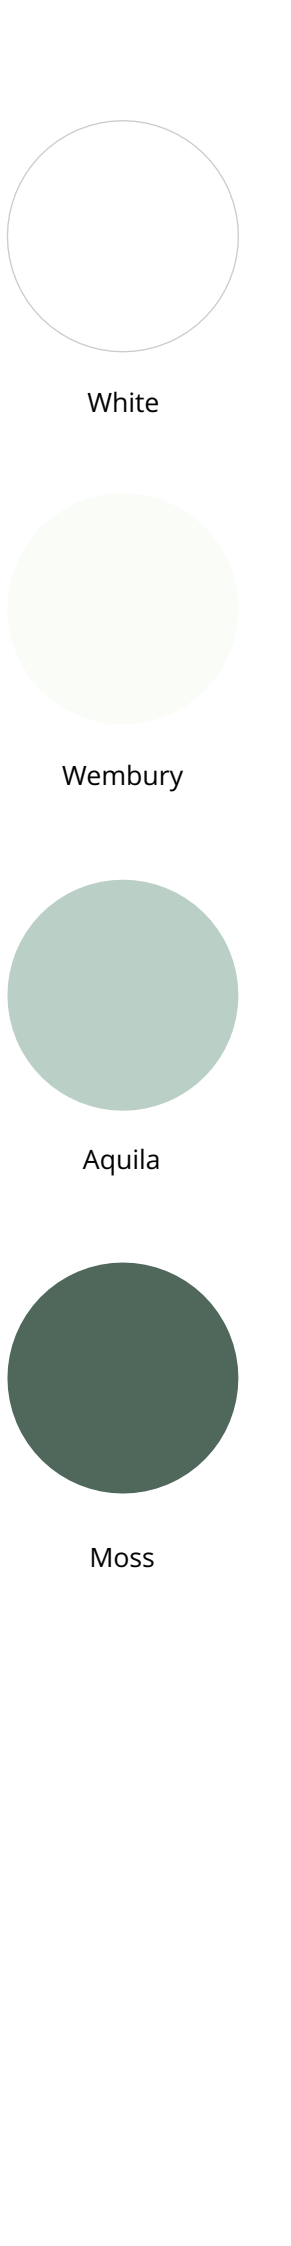

Choose the right paint for your needs

Our carefully curated range features 60 beautiful colours, available in 2.5L and 5L tins. The complete collection is offered in **Scrubable Durable Matt Pro** and **Acrylic Satin Pro**. All but the very deepest shades are also available in **Vinyl Matt Pro**.

Collect your paint today

From our large warehouse in Middlesbrough.

- 1 choose your colour
- 2 choose your paint finish
- 3 choose your size
- 4 order online or, at our warehouse

We only begin preparing your paint once you have arrived and paid at our Middlesbrough warehouse. There is no commitment until you are completely happy with your choice.

250ml tester pots are available for most colours (excluding the very palest shades).

Prefer to check in person? Large hand-painted A4 colour charts are available on site so you can view every shade accurately before you decide.

Need something more?

Over 10,000 additional colours are available through our expert paint-mixing service. Simply select your preferred finish and size, and we'll have it ready for you in minutes.
